· SAINT GERMAIN'S DISCOURSE ·

Dallas, Texas—June 12, 1939

I GREET you again, beloved students and friends who are here! To see your understanding gaining the Victory each day, in freeing yourselves from the habit which you have had so long, of human qualification of the energy of Life as It flows forth thru you, is a Mighty Victory, beloved ones. Now you come to understand the only thing that has ever stood between you and the Perfection which Life holds and wishes to give, is your qualification of energy.

Life is energy. Energy itself does not discriminate. You have free will and whatever feeling exists in your world clothes the energy as it goes forth from you; and if it be discordant, you will reap the quality of that in your world. There is no law in the world that can prevent it.

Mankind have not been taught that their feeling is the ruler of their world; but as sure as I am telling you, uncontrolled ungoverned feeling which is discordant will bring distress, limitations and unhappiness into your world; and more than seventy-five per cent of the ill health of mankind now and which always has been is discord in the feeling. You have no idea, until you begin to watch its action, how discordant feeling will build a condition in your body which is but its out-picturing—the cause being in your feeling world. It operates long before you see its out-picturing in the flesh, but there can be no out-picturing in the flesh, dear people, unless there is a cause within your feeling world. You are not always that cause, but if you accept the word or feeling from someone else, then you are responsible to the degree that you admitted it into your world. There could be no one else responsible for that but yourself.

The Truth is, dear people, Life has so provided you with a protecting Presence and Power which will always act, if you are harmonized enough yourself. Your Higher Mental Body, which rests between your flesh body as shown on the Chart and the Upper Figure, which is your "Mighty I AM Presence," is the director of the energy which flows thru your body. It stands ready to produce Perfection for you always, but since your qualification is the power which it contends with, unless you understand and are willing to govern it, then endless time would go on producing the same conditions which you have today.

Beloved people, you have lived hundreds and thousands of embodiments similar to these, each time accumulating more or less discord. Now Life has opened the door, even the second door into the Octave of Light, by which and thru which mankind may be free, forever free, from the wheel of birth and rebirth. It is a Law of Life, dear people, whether you have understood it or

not, or whether you care to accept it today, still it is a Mighty Truth which no human being can deny.

We who have set Ourselves free from the conditions of the physical world know these Laws every step of them and know exactly what you require to win your Victory. For instance, allow Me to call your attention to this to-night, while the Messenger is voicing My Words to you. I am acting by Currents of Light and Energy within this room, into every one of your bodies —your feeling worlds. I have not asked your permission, but since you are here, I take it for granted, you would be pleased to have that Assistance. (applause—audience rising)

In order to assist you, I must give that Assistance thru your feeling world, by the permission of your own Higher Mental Body. Life allows no interference with Its own Stream. It invites whatever Assistance is to be given, and unless that invitation is there to Us, not thru your physical sense, but thru that which is the Governor and Director of the Currents of Energy to you, then alone do We respond.

This has been going on now for more than five years to the great body of students in America and they have grown to great proportions. There are more than a million students in America who are actually applying This Law. Two million and more who have come to know of this Great Law, are deciding whether they wish to follow it or not. You today, who have seen the expansion of this Great Light, know that it is not a matter of individual opinion or of human opinions but It is the Law of Life, the Law of Light, dear people, which one day all mankind will accept, because It is a part of themselves.

Who would not want to know how to make themselves strong, courageous and able to achieve whatever their attention is fixed upon which is constructive? Life will not aid you to gain destructive power over

each other! You use but your own accumulated energy. While I have never said this to the students, I am going to explain to you tonight, why individuals sometimes seem to have tremendous energy to use for destructive purposes.

Since none of mankind, except a few of the students, is using more then ten per cent of that great energy and Presence of Life which beats their hearts, then you know that the Stream of Life flowing thru your body carries tremendous energy and power. Sometimes, when individuals have been to some degree harmonious and then they are seized upon by destructive forces, that energy is accumulated; and until it is exhausted, it sometimes becomes dynamic power.

That is why, today, in the Instruction which I have brought forth in the use of the Violet Consuming Flame, mankind can set themselves free in their call to the Presence, and dissolve and consume all destructive qualities which they have brought forth and then they will be Free. Since you have been centuries accumulating this, to have the Presence of Life at your call dissolve and consume all of that within a short period of time, is a so-called miracle performed. Yet it is all a perfectly natural action of Life.

Life never condemned one of you, never criticized one of you for all the mistakes you have made; but mankind feel the authority to criticize each other. Does it seem quite fair to Life? Does it seem quite fair to your friends to criticize them, when you do not know the causes which are acting within individuals that sometimes make them undesirable companions? Do you not see, beloved students and friends, that since you are Life, since you are a being of qualified energy in action, can any one of you tell Me, that you know the causes which are acting with each other here in the room? Of course you cannot. Therefore, please do not

sit in judgment upon each other, for seeming conditions of which you are wholly unaware of the causes.

That is the condition of mankind and has been thruout the ages. The outer human is constantly dealing with effects, rarely, if ever, considering the cause back of it. Your government is today dealing with effects, and is just beginning to awaken to the causes underneath. Now notice this carefully—when a nation begins to awaken to the causes underlying the appearance and effect, the people of the government will be able to correct the condition by the call to the Presence of Life, the "Mighty I AM Presence."

You, beloved students, have been instructed how to decree in a positive attitude of Life, to bring a definite result and it could never fail, if you are harmonious enough yourself. A great number of mankind are praying as they never prayed in their lives. Thruout the orthodox churches of the world, such earnest prayers are going up as were never sent forth before, because there is scarcely one living today in human form who does not feel the pressure of the coming events. They are approaching, of that there is no question!

I have said to the students of America these five years, if you will make the call earnestly and sincerely, as We gain the attention of enough of mankind, We the Ascended Masters, the Cosmic Beings and the Cosmic Light, will render that Service to America which she must have, or go into the most frightful destruction the world has ever known. You may not believe this. However, I tell you, the entire activity in Germany, Russia, Italy and Japan is under destructive forces; and the world sees that they will encroach and encroach upon mankind until one day, they will rest upon your shores of America.

Dear people, I know what I am talking about, since I can go there, and do once every forty-eight hours, I observe the conditions which are there, and keep the

people of America informed if they care to believe Me; and if they do not care to believe Me, they will reap the results, and too late they will know that I have told them the Truth.

Do you think I would take My Energy and the energy of the Messengers to carry This Light to the people of America for five years, if I did not know the conditions that exist in the world and know what I am talking about? There are a lot of mankind who will not believe Me; but when disaster approaches and they cannot stop it, they will remember My Words, My Love and My Kindness. I have striven so hard to give them the information, give them the Authority in the call to Life which would have prevented it.

My dear people, I am becoming more and more positive with the people of America because many do not believe the condition or that it exists. Some of your people in America are no better than the spies of Europe. Truth is no respecter of persons. There are some in your government who are supposed to be protecting it, who are spies under cover. That is where the great danger to your beloved America is to-day.

Beloved people, your calls to that Great Presence of Life, the "Mighty I AM," if you continue in the volume that has been gained these past three years, my dear people I have every hope in the world, that We will be able to release the Power of the Cosmic Light to hold the balance of all that is required in America to give her protection and keep that destructive power out of your America. (applause—audience rising)

While you are standing, beloved ones, allow me to say this: Since We are wholly free and could go on Our way and leave you to the mercy of these forces, are you not willing, beloved friends of America and fellow students, to render your utmost service? The greatest service that you can render in the whole wide world, is to understand this "I AM Presence" and call Its Powers

into action, to render this Service to America and to your people.

My dear people, mankind have believed that armies must solve the condition, but they never solved one yet. When the war was finished, all were exhausted and had to stop, the condition remained the same, with one exception. Would you like to know what that is? In your war for Freedom, which gave America her Freedom, it was the only war in this world that did not have its reaction. That was the call to Light and Life for Freedom and there could be no reaction! There was no attempt at acquisition of property! There was no attempt to deprive or bind anyone; and America has had a period of Great Freedom! Of course in your midst, as in all lands upon this earth, there are individuals, selfish, deceptive and destructive but let Me tell you to-day, you are in the position in these calls to Life which will one day remove every destructive desire from every human being in your land or remove them from your land!

Beloved ones, may I ask during the remainder of My Talk to you, that you remain as perfectly quiet as you can, in order to render the service which is here in the room to be given you. I appreciate your Love and kindness, but I wish to do this for you, while the Messenger is voicing My Words and I shall accept your Love just the same.

In the fulness of all that is required today, mankind is in a position for the first time in the history of this earth, to make the call to an Intelligence and Power which can regulate, can govern these things from the individual to your nation.

I wish to state with a powerful emphatic Truth, the Decrees that have gone forth from the student body thruout America and the world, have rendered a Service to this earth that nothing in the world in two million

years has done. Why do you suppose I established this among the student body? Because I saw it was the only means in the world of releasing this Intelligence, Power and Energy which would give mankind the protection they needed. Cannons, guns and dynamite cannot give you this protection because that is only a temporary thing. It can destroy the majority of mankind and when they come back and build up their civilization again, the same condition exists and has thruout all these centuries. Dear people, you see it thruout the history of the world. Then why when We have made the effort to bring you forth an understanding of the Law of Life, which can render that service, make it permanent, stop all war from the earth and stop the discord from mankind; then is it not worth some effort?

We can tell you exactly, if you will keep your feelings harmonized, what would take place at your call, but since We have been disappointed in so many We of course never prophesy. When We find individuals who knowing the Great Law, will not harmonize themselves, because of some petty human feeling, then how can We be disappointed at the mass who do not do it? Therefore, I say to you tonight, We could assure you as definitely as you are sitting in this room, if We could depend on the million people who are really students of This Light today, to put aside every human feeling, hold their feelings harmonious, make their determined dynamic call to Life and Light, for the protection of America and for the removal from within her borders of every destructive force, I could guarantee you inside of three years, it would be done. What a pity mankind are not yet ready to do it!

Twice in France, once in Germany, once in Italy and twice in Russia, I had established a condition that could have built what you have in America today; but the few that would pay any attention to the Great Law of

Life, which I revealed to them, said to Me: "Such ideals cannot be possible of human achievement," when all of It was the action of every human being's own Life.

Can you understand today, how I feel to you people of America whose Light has been great enough to give response to My call for your Freedom?—not Mine, for I have It; but since I love mankind enough to try once again, if this should fail, I would never try again, but this is not going to fail.

Dear people, if you ever saw determination within a Being in this world, then it is within Me. Since I have gained this great momentum so far, I am ready to move heaven and earth to carry out the fulfilment of this and whether humanity wants it or not, I shall do My utmost to hold the Dominion of the Light in America. I believe I have enough people who are loyal to the Light whom I can depend on, which will enable Me to exert whatever Power is necessary.

Remember, as your beloved Messengers have said to you: you never had such a Friend in America as "I AM." Let Me say something to you. That is quite true, but yet back of it is something still greater. I too have My Friends. One of Those Friends is the Power of the Cosmic Light, that no human being nor all on this earth can interfere with. If I can intercede and release that within the next two years, I will sweep every particle of human discord and selfishness from this planet, whether they want it or not. That is how I feel for your protection.

Now beloved ones, are you as willing to make your maximum effort as I am? I could go on My Way quite happily. Oh, I question whether that statement is quite correct. I said: "I could go on quite happily," I question that extremely. Thinking of you here in the worst condition the world has ever known, how could I be happy? How could one of the Ascended Masters, the

Cosmic Beings or the Legions of Light be happy, with mankind in the throes of the worst destruction ever known?

These are great Truths, dear people. Do you know my dear ones, that before every great cataclysm which has occurred on this earth, great effort was made to acquaint the people with the Truth of the conditions? This time there has been great response. Before the sinking of the last remnant of Atlantis, how many people out of that sixty million gave credence to the Words of Truth which were given to them? Five hundred people. To-day, three million in America are listening to the Words of Truth! Some change, is it not! That was not enough to hold the balance and those people sank beneath the waves of the Atlantic within forty-eight hours. Only five hundred who accepted the Truth escaped. They were taken away to several places.

Today, if war should come in your America, it will release the greatest cataclysmic condition which has ever been known. We have tried to stem the tide of that. We have held it in abeyance and still may do so, governing at least two-thirds of its action, if war can be kept out of America. We are telling the people the Truth. We appreciate, beloved earnest sincere students, every ounce of energy that you release in the call to the Presence of Life for the protection of America and this service which is imperative to be rendered.

Remember I am not speaking to you, when I am calling for more assistance. You are doing your part and wonderfully, but continue on, in the most magnificent effort you can command. We must trust to the Great Cosmic Light, the Great Wisdom of Life, to touch the Life within the hearts of enough more of mankind, to give all that is required.

Tonight, as I talk to you, how wonderful it would be to see a million people actually ready to release the

energy which you are doing daily! I am speaking of the students now who are actually making these mighty calls, issuing these Mighty Decrees. I say to you friends and students of Dallas, as I said to those in Oklahoma City—I am making this statement now, for I want It to reach every sincere individual in America. I will fulfill it for every sincere student who has come into this Light; who has made these determined calls and issued these Mighty Decrees for the protection of America and for the blessing of their fellow-man: "Every one of those blessed ones shall be released forever at the close of this embodiment into the Ascension and Freedom forever from the wheel of birth and rebirth. I will see that it is done, for I have the power." Can I do more, beloved ones? Can I offer more? It does not make a particle of difference to Me what your intellect thinks just now; but it matters much to Me what your Light in your heart says to Me. That is what I am concerned with.

When the Light in the heart of individuals who have been so earnest in this Light starts to dim, then I almost tremble for them. My dear ones, Life is not going to continue to give mankind an endless time, in which to make the decision of whether they are going to serve the Light or the shadows. They are at the deciding point now—mankind must decide, but that it not My affair. I am prompting and prompting and prompting mankind constantly, but I cannot be your spiritual policeman. I can only draw your attention to the necessity that is at hand. Then, you must choose as to whether you are willing to call forth this Power from the Presence of Life, the Governor of the Universe which beats your heart.

Dear ones, do you understand that this Presence of Life which beats your heart is the Governor of the Universe and could be the Almighty Governor of your Life and your world of action, if you gave It a chance? Therefore, dear ones, try It. Give It a chance and see what It will do for you. That is why We are constantly pleading with mankind. Some listen and some do not.

Is it not strange that mankind can go on in their sleep of the senses and refuse to accept the Glory of the Light which would give them happiness, health, strength, supply and Freedom, but such is the domination of human qualities? That is their misfortune, but you beloved ones who have come thus far in the Light, remember—your attention to your Presence is the Stabilizing Power, the anchorage of that Light for Its constant expansion in your heart and in your world to render you that protection, direction, Intelligence and supply from the Treasure-house of your Presence, which will make possible for your protection the service you wish to render, to the Glory of that protection which America requires at this time.

You have your individual homes, some of you. America is the home of all, and if your homes are shattered or destroyed, then your individual homes are of little consequence. America is the greatest home of the people of the Light. Within it are the homes of millions of people and the subversive activities which have grown in America have sought to shatter them, and have to some degree; but still may they yet be restored, thru the Great Out-pouring of Light.

Tonight, I am going to draw you another illustration. There are people who have had the opportunity to accept this Light and have refused It. Those people are going out into a condition where they will observe that which will later take place in America and when they see the great Perfection which is bound to come in America, whether it be after physical war or thru its prevention, then they will see the fulfilment of every Word I have uttered these five years to the people. They can neither go on, nor can they come back;

but they will watch the happiness, the beauty and the Perfection from which they turned in the human form. That is the Great Law my dear people, believe it or not.

This is the first time I have every spoken of this to the student body, but it is time now, so I must begin to inform you of the exact results and conditions which will follow. Do you think, my dear ones, it is pleasant for Me to watch mankind fail and fall by the wayside, regardless of what America requires at this time?

America holds you within her Grail of Light! That Light shall one day win in America! I ask you, beloved students, if you are not thoroughly familiar with it, familiarize yourselves with the Vision the Goddess of Liberty gave to Washington. The third episode is what you are meeting today. Keep yourselves reminded. It will enable you to release more energy, more determination. Why?

Beloved people and you who might be listening for the first time, let Me show you this:—Every human being is a mental and feeling being. Without your mental and feeling power you would not be as you are now. You would be dumb, you would be as a post in this building. Then you are your mental and feeling world, are you not? Since the mental and feeling world of mankind are one, then when you are issuing and sending forth these Mighty Decrees, they go forth reaching into the mental and feeling world of mankind everywhere. Since mankind in that attitude are receptive, those Decrees go forth and take action in their mental and feeling world, rendering a service which cannot be estimated in words. That is Our great hope today for America.

We have observed that people who suddenly touch this Light, feel the great enthusiasm, which is positive proof—and We have watched it—that these Decrees have acted in their mental and feeling world and have made

them ready thru their receptivity for this Great Light.

Remember that in all activities in your call to the Presence of Life, you are rendering a triple service because all Life acts in a Trinity; especially when you have become aware of your "I AM Presence," Love, Wisdom and Power are set into action in balanced form. That is what has been the requirement of mankind thruout the centuries. For the first time in eight hundred thousand years, this Balance is being brought into the activity of mankind. If it were not True, then there would be not hope for mankind today.

I have wished many times, that I could have in a great auditorium, every polititian in this land and talk to them from My Heart. I know that I could change every condition in America today inside of forty-eight hours; and if I could get them together, I would show them proof, not only of Myself, but of the Laws of Life which would last them thruout eternity.

Mankind allow themselves to be governed by charged energy which is human impulse. Thousands of things and acts are done, which the individual would have given everything not to have set into action; but it is too late after it has gone forth. Therefore, beloved ones, you are dealing with a Great Great Law. No human being on the face of this earth can change It or sidestep It in any way. Every cause sent out brings its exact result. There is no power in this earth or anywhere else but the Power of your own Life which is flowing thru your body. What God wishes to do for mankind, God has to do thru you. God never does it for you! Remember that dear people! That is why your calls to Life are producing such magnificent results, even protecting those who hate you and Me.

Would you believe it, there have been those in this room tonight who hate Me so bitterly? That seems quite incredible; but it is their misfortune, quite their mis-

fortune and too soon will they find it out. I bring only great Divine Love and Blessing to mankind, and I shall continue, until the last vestige of human selfishness and discord have vanished from this earth.

My dear people, when I have gained this Mighty Victory thus far, I shall continue and one day when those individuals who cannot go forward, who cannot go back, watch the conditions of happiness and prosperity which they cast aside, then will their distress be great and only then may the Light give them Assistance.

I inform you of these Great Truths, beloved ones, but I cannot compel you to accept them. You must do what you will today, but I shall call to the Power of Light within every one of you, to show you the Truth of My Words and show you the Truth of Life, until It becomes so self-evident, acting within your human form, that all doubts and fears have left you and your world forever.

I thank you with all My Heart.

GREAT DIVINE DIRECTOR

"In memory of all the Love which has been poured out to the Ascended Host of Masters, and in the recognition which has been given Each One, do you realize, precious ones of the Light, that is a power of the activity of your attention which has been required? We have been waiting thruout the centuries, to direct forth the Currents of Energy which will help you to hold your attention more firmly, not only upon your 'I AM Presence'; but on the requirements for which you issue the Decrees, that produce happiness and Perfection in your world."

This song, both lyrics and music, is the answer to an intense call for some way in which to express the deep Love and Gratitude of the "I AM" Student Body to our Beloved Messenger for all He has done for them; and for being the Open Door to bring to them the Understanding of the Law of Life, which will lead them into their Ascension.

May this song be sung by everyone who seeks Freedom from the distress of the outer world; and thru It receive their Freedom and release.

SAINT GERMAIN

I do not wish you to feel unnecessarily responsible, but still I do wish you to feel your great blessing, power and authority, to silence the human thought and feeling of each one; and make it obedient to the Law of your Life. The Law of your Life is naturally harmonious; it is only thru human accumulation, that it has become otherwise.

· GEMS OF LIGHT ·

SAINT GERMAIN

Remember, you must be firm enough to silence every particle of discord that comes to you. What is the use listening to it? You do not always know that when you are listening to discord of any kind, how much you are unknowingly accepting into your feeling world until you have come to the point where you can look upon a thing that is discordant or destructive, or hear about a thing that is discordant or destructive and yet not let it reach your feeling world.

SAINT GERMAIN

No matter what the provocation is, just laugh it off! Don't mind what people say or do, that is not important; but it is important that Harmony is maintained by which We can give you the protection necessary.

SAINT GERMAIN

If students are in an environment where a frightful suggestion exists or something starts, if the students would only be firm, stand and call forth the Power of the "I AM Presence" like dynamite—to annihilate cause, effect and record of it, they would stop it almost immediately. Sometimes, if it is viciously projected, it may take a little sense of time to annihilate it, but it will disappear.

SAINT GERMAIN

Speaking to the children

I suggest you blessed children practice every day calling forth the Love, Blessings and Power of your "I AM Presence" to bless, correct and remedy things; and see how readily it will respond to your call. Then you can test It out and find you can remedy and assist your mother and daddy wonderfully, in the things they might wish to do.

BELOVED "I AM" Students thruout America and the world, we extend to you our deepest Love, gratitude and Blessings for your wonderful Love, loyalty and gifts over the holiday season and thruout the months and years past.

May everything you have done and given in this Service to the Light, be amplified back to you a million fold in whatever way will bring to you the greatest happiness and Perfection until your Ascension.

We thank the "Mighty I AM Presence," the Ascended Masters and you for your own precious selves, your Love of the Light and all that has been done thru you, in this Service to the Light for the protection of America and the Freedom of all mankind.

May our "Mighty I AM Presence" and the Ascended Ones bless you forever and compel an ocean of every good thing to flood you and your world, until there is not room to receive the good things poured out; and may they remove every limitation from you and your world forever.

May the Flame of Eternal Love, Gratitude and Blessing from our hearts enfold you all, until you are Ascended and Free.

· SPECIAL NOTICE ·

DECREE GROUPS

Decree Groups may be added to your other Group Activities, but these should not replace the Regular Group Activities or Fundamental Groups.

All Decree Groups should open with Invocation—either Victrola Record or Invocation on No. 1 Outline.

Six Cosmic Light Calls.

Close with Regular Benediction.

Periods of quiet for using Violet Flame or playing one of the Music Records are permissible.

These Decree Groups may be carried on for 24-hours if so desired, using Decrees in the Loose-leaf form. A new Group of Decrees will soon be released, containing those used in our recent Shrine Class.

It is permissible to take one subject and stay on it for the entire period, even 24-hours. Those desiring supply will find the use of the Supply Pamphlet for as many hours as is possible most beneficial. The momentum gained thru issuing those Decrees, must release the needed supply when it reaches a certain point. So it is with any other condition needing attention.

FUNDAMENTAL GROUPS

In the Sixth Lesson (Pages 16-17) of the FUNDAMENTAL OUTLINE No. 11—please omit the following:
